ITS SIMPLICITY, SERVICEABILITY AND SUCCESS

A. Guyot Cameron

THE WALL STREET JOURNAL

This book discusses, in non-technical language, one of the most important economic and legal principles now before the country. Explains a realty reform of the highest value.

Shows the reasons for coming legislative action in many states; proves the need of simplified transfers of land; also of the reduction of the expenses attached to property dealings.

Gives the origins and world-wide growth of this economic system. Invaluable to every property owner, to bankers, to lawyers, and to every one interested in real estate.

Land values. Simplified conveyancing. Realty as a banking asset.
